(If you are riding a horse that belongs to a friend or trainer who is not an LMHJA member, your points will not count. If a friend or trainer is not an LMHJA member and riding your horse, points will not count.)** The LMHJA Point Keeper will not back date a membership unless it is a mistake by LMHJA or a hosting show barn.

**USHJA memberships** must be paid to USHJA for Medal points to count in their standings. The form is available on line.

USHJA membership is NOT required unless you are running for USHJA points.
